“The education of democratic citizens is the prime task of the Swedish school.”

From a Swedish School Commission Report in 1948
MEASURING DEMOCRATIC EDUCATION AND LEARNING

- National tests in social science
- ICCS
- PISA Global Competence?
• Knowledge and skills

• Values and attitudes

• Engagement and participation

• Distribution!
• Democratic alienation
• A threatened democratic talk
• Anti-democratic players challenge
• Measuring values (or personality traits) in a liberal democracy

• Cultural challenges to the comparisons across countries

• Analyzing the most pressing issues might challenge personal integrity
Thank you!
